Editors are first to hear of gossip or scandals, indiscretions of men or women, things unfit for publication, intrigue, clandestine meeting, night buggy rides, girls gone astray, flirtations of married women, amours of married men, and in fact all of the neighborhood scandals. Editors generally know of the naughty doings of a community, no matter how secret. If only half they hear was published divorce suits would follow, in some cases ostracism, in others shot gun and gore, imprisonment, lynching, desolated homes, shame, misery, humiliation. Some people who abuse the editor the loudest owe their standing in society to his forbearance.

The San Francisco Labor Council has issued a circular to the people of the State, giving a history of the trouble in San Francisco, and urging the co-operation of union men and women in the fight against the Employers' Association. It asks that the following firms be boycotted by laboring men: Tilman & Bendel, Murphy, Grant & Co., Levi Strauss & Co. and Neustadter Bros.

California cannot call us hobo state anymore. They now doff their hat and say, please Mr. Nevada, we want your trade for we hear you have grown rich again and that you will continue to grow rich. It also says we will palm no more spoilt fruit off on you. We're not going to take any chances on you, Miss Calif., you are an uncertain quantity.

Dr. Stubbs has been appointed to the Ecumenical Conference of the Methodist church which will be in session in London from September 4th to September 17th. He is one of the five delegates chosen from the western portion of the United States. He has been granted leave of absence by the University Regents.

Nye county a year ago was a retrogressive section, but the discovery of the richest mines in the world in Tonopah has caused the eyes of the mining world to be turned in its direction and investments are being made in various parts of this county. Old Nye county was a big surprise party to all.

There are several good properties in Tonopah awaiting capital to develop them.

The State Fair of this State this year promises to be the best ever held.
